Information on Australian Government Australian Apprenticeships Incentives

Australian Apprenticeships, formerly known as New Apprenticeships, encompass all apprenticeships and traineeships. They combine time at work with training and can be full-time, part-time or school-based. Australian Apprenticeships are a stepping stone to ongoing employment or further education and training, and a great way to get a head start to a career.

The Australian Apprenticeships Incentives Program encourages employers to offer the kinds of employment-related training opportunities that will encourage people to acquire and expand their working skills.

For further details about the incentives listed here, including application forms and advice about whether you may be eligible, contact your Australian Apprenticeships Centre.

Eligibility for Australian Government Incentives — Information for Employers

This Training Contract has been designed to assess your eligibility for Australian Government Australian Apprenticeships Incentives. These Incentives can include Commencement, Recomencement, Completion and other special incentives.

Eligibility is assessed on a number of criteria, including, but not limited to:

• the date the Australian Apprentice commences or recommences with an employer;
• the employment status of the Australian Apprentice at the date the incentive falls due;
• the location of the workplace;
• the accredited training program is in place;
• the type of employment relationship; and
• the formal approval by the State or Territory Training Authority.

If you are eligible for Australian Government Incentives, you will need to complete a separate Claim Form available from your Australian Apprenticeships Centre in order to be paid. This Claim Form should be lodged following:

• approval of the Training Contract;
• after the apprentice/trainee has commenced training according to the approved Training Plan; and
• after the Australian Government three-month waiting period has expired and the apprentice/trainee is still employed by your business and any State/Territory probation period has been completed.

Taxation

If you are eligible for Australian Government Incentives you should be aware that if you do not provide your ABN when lodging a Claim Form, the Department of Education, Employment and Workplace Relations will be obliged to withhold 46.5% of the incentive payment and remit it to the Australian Taxation Office.

You should seek independent advice regarding your taxation position.

Other Australian Government Assistance

Assistance for Apprentices/Trainees with a Disability

The Australian Government may provide assistance to employers of apprentices/trainees with a disability, including the Disabled Australian Apprenticeships Wage Support program, Tutorial Assistance, Mentor/Interpreter Assistance. Workplace modifications may be available for disabled apprentices and trainees. If applying for assistance you will need to complete an Application Form and an Occupational Assessment Form.

Living Away From Home Allowance

Apprentices/trainees may be eligible for a Living Away from Home Allowance for the first 36 months of an Apprenticeship/Traineeship, if they had to move away from their parents’/guardians’ home to commence or remain in the Apprenticeship/Traineeship, or if they are homeless.

Information You Need to Know

National Code of Good Practice for Australian Apprenticeships
This code explains the rights and responsibilities of the people who sign this contract. Free copies of the code are available from your Australian Apprenticeships Centre.

Making choices
a. Choosing a Registered Training Organisation (RTO)
The employer and the apprentice/trainee must select an RTO to provide training from a list available from your Australian Apprenticeships Centre or State/Territory Training Authority. The apprentice/trainee must be enrolled with the selected RTO. Contact your Australian Apprenticeships Centre or State/Territory Training Authority for the list. (See the Contacts for Further Information and Assistance section of this document for contacts.)

The employer and apprentice/trainee have a right to:
• ask RTOs for accurate and timely information about training options they can offer you
• identify and select the training outcomes from nationally endorsed Training Packages or accredited courses that are available in your State/Territory
• negotiate a Training Plan with the RTO according to the relevant State/Territory Training Authority.

b. Training Plans
A Training Plan sets out the training that an apprentice/trainee will do both on-the-job and off-the-job. It also sets out how the RTO will ensure the apprentice/trainee will receive quality training — both on-the-job and off-the-job.

It’s important that the employer and the apprentice/trainee know how the Plan will work and are well-informed about it.

Training Plans reflect the choices made in relation to:
• the RTO that will provide the training
• which competency standards will be covered and in what order
• when, where and how training is provided
• which trainer/facilitator provides the training
• who assesses the apprentice/trainee
• how the training is evaluated.

Qualifications and records
Once the apprentice/trainee successfully completes all assessment requirements of the Training Plan, the RTO must issue the qualification specified in the Plan. If the apprentice/trainee only completes some of the competency standards, the RTO must issue a Statement of Attainment. The RTO will keep the relevant records.

Allowances and Incentives
A range of Australian Government and State/Territory incentives and subsidies may be available from time to time. For more information, see the Information on Australian Government Australian Apprenticeships Incentives section of this document.

State/Territory government allowances may also be available where the apprentice/trainee has to travel away from home to attend training.

Check with an Australian Apprenticeships Centre in your region.

Existing workers who become apprentices/trainees may not attract Australian Government or State/Territory subsidies and incentives.

Information to Help Complete the Training Contract

Questions marked (*) 14, 15, 16, 17 and 22 are optional questions
You are not required to complete these questions, however, if you answer question 22 it may assist in processing your claim for incentives.

Questions 1, 2, 21 and 25 — Title, Level and Code of Qualification
Apprentices/trainees who successfully complete their training receive a nationally recognised qualification. Qualification titles and levels are laid out in the relevant nationally endorsed industry Training Package or accredited training course. Titles and levels are also on the Australian Qualifications Framework certificates issued by RTOs. Qualification codes are available from the National Training Information Service website (www.nits.gov.au). Your Australian Apprenticeships Centre or RTO can also provide this information.

Question 6 – Trainee Apprenticeships — NSW only
NSW training legislation provides for ‘trainee apprenticeships’. Trainee apprentices do not undergo a probationary period and are mainly established in the building and construction industry. They may work for various employers in the same industry at different times. The employer or employee can terminate trainee apprenticeships on the period of notice specified in the relevant award. Trainee apprentices complete the same on-the-job and off-the-job training as other apprentices and, at the conclusion of the trainee apprenticeship, they receive the same qualifications and certification.

Question 7 – Existing Worker
An existing worker is defined as a person who has been employed by the applicant employer continuously for more than 3 months full-time or 12 months casual or part-time or a combination of both, immediately prior to the commencement date of the Training Contract as shown in question 3.

State/Territory/Australian Government incentives may not apply to existing worker arrangements. You should contact your nominated Australian Apprenticeships Centre for advice in relation to eligibility for any incentives.

Question 13 – New Zealand Passport Holders
Australian Government incentives are only available to New Zealand passport holders if the applicant has been resident in Australia for 6 months or more. However, a Training Contract with the New Zealand passport holder could still be registered. Contact your Australian Apprenticeships Centre or State/Territory Training Authority for more information.

Question 19 – Australian School-based Apprenticeship
Australian Apprenticeship training undertaken by a student will be an Australian School-based Apprenticeship when all of the following apply:
• the student is enrolled in a senior secondary certificate under the relevant Education Act
• the school or education provider at which the student is enrolled acknowledges and endorses the Training Plan/Outline required by the Apprenticeship/Traineeship Training Contract
• the Australian School-based Apprenticeship is recognised on the senior secondary certificate.

(Note: The term Australian Apprenticeships relates to apprenticeships and traineeships)

Questions 24 – Credit
An apprentice/trainee may gain “credit” for relevant prior learning or experience. This prior learning or experience must be formally recognised and may mean the duration of the Training Contract can be changed. Credit may also affect industrial relations arrangements and incentive payments. For more information contact your Australian Apprenticeships Centre or RTO. Your RTO should discuss the issue of credit for prior learning with you during the negotiation of the Training Plan associated with this contract of training.

Question 28 – Legal Name of Employer
The employer must provide the name of the employer’s legal entity. This will be a person’s name, a company name, or the name of an incorporated association, NOT a trading name, business name, or name of a trust.

Questions 34 and 35 – Group Training Organisation
A group training organisation employs apprentices/trainees and places them with host employers. The host employer and the company providing the group training services must be separate legal entities.

Question 39 – Full-time/Part-time Apprentices and Trainees
Apprenticeships/traineeships may be undertaken full-time or part-time. A full-time apprentice/trainee is one whose ordinary hours of employment, including the training component, are not less than the usual hours of employment for a full-time employee in that occupation.

Part-time provisions vary across Australia and across occupations. Averaging of hours may be possible in some jurisdictions (not in SA). Please check with your State/Territory Training Authority. For more information contact an Australian Apprenticeships Centre in your region or State/Territory Training Authority. See the Contacts for Further Information and Assistance section for further contact details.

Question 41 – Business Relationship
A business relationship includes a pre-existing or current business relationship between the employer and the apprentice/trainee; for example, when the apprentice/trainee is a partner, a director of the company, a previous director or partner or involved in franchise arrangements.
